Dedication

TO THE MEMORY OF FATHER PIERRE BOUSCAREN

Professor of Logic and Ontology in the Missouri Province Collegium Maximum, who died on Christmas night, - to the inspiring teacher, the keen thinker, the sympathetic spiritual advisor, and the uncompromising optimist, the friend and supporter of our literary venture, who had so much at heart the larger interests of Scholasticism, -- this fourth anniversary number of THE MODERN SCHOOLMAN is dedicated, - with sentiments of deepest regret at our own and American Scholasticism's loss, but with a prayer that, - enriched by the inspiring example of his life, and his counsels, - we may prove ourselves worthy of the leadership he gave us.
