Cover story: Love

Why should poets, singers, novelists and musicians have all the fun? In this issue, philosophers explore the nature of love. Can love, perhaps like fear, be rational or irrational? Just what is the meaning of parental love? What lies behind our thought that love is sometimes unconditional? Can you really be loved "for who you are"? Is it better to have loved and lost? Find out in a particularly lovely forum.

- FORUM**
- 66** Irrational love *Berit Brogaard*
