Earlier versions of the papers in this issue by Lawrence Blum, Shelley Burt, Julia Driver, William A. Galston, Jeanine Grenberg, and Andrew Mason were presented at a Conference on Virtue and Social Diversity organized by the editors and held at Florida State University in Tallahassee in March 2007. The papers by Sophia Isako Wong, Simon Keller, James Bernard Murphy, and Robert B. Louden had their beginnings as responses to the presentations by the authors whose papers they follow in this issue. Bernard Boxill and Corey Brettschneider also participated in the conference.

The editors thank the Florida State University College of Arts and Sciences for providing funding for the conference. The editors also thank those present at the conference for their part in providing a stimulating and rewarding experience for all.
