## Journal of the International Association for Environmental Philosophy

Vol. I, No. 2

September, 2000

From the Editor:

Welcome to the second issue of *Call to Earth*. We have had an auspicious beginning, and the journal will continue to thrive and to grow.

Everyone is cordially invited to send submissions for publication in future issues. You are all encouraged to become a member of the International Association for Environmental Philosophy (IAEP), but nonmembers are welcome to send submissions – for short essays as well as book reviews or comments. (Please check inside back cover for details, both regarding membership and submissions.)

The fourth annual meeting of IAEP will be held in October, 2001, at Goucher College in Baltimore, Maryland. A Call for Papers will go out in early November, with a deadline of February 1, 2001. Notices of selection for the program will go out by April 10, and the program will be posted on our website on or before May 1, 2001. The website address is: [www.environmentalphilosophy.org](http://www.environmentalphilosophy.org).

Beginning with Volume II, Issue 1 (to appear in March, 2001), you will be able to receive your copy of *Call to Earth* electronically, via Acrobat. If you would prefer this method of receiving your copies from now on, please email me at [maly.kenn@uwlax.edu](mailto:maly.kenn@uwlax.edu). Hand-holdable copies will be sent to everyone else.
