

## TABLE OF CONTENTS

This volume is organized along seven tracks for general convenience in locating topically related papers (including showcase, symposia, workshop, and innovative session materials):

- Business Ethics, Ideology, Intellectual Property Rights, Social Justice, and Values  
Corporate Social Responsibility and Social Performance  
    including community economic development, corporate citizenship, corporate governance, corporate philanthropy, corporate social responsiveness, social investing, and stewardship
- Environmental Management and Regulation
- International Issues
- Public Affairs, Public Policy, and Regulation  
    including corporate reputation, issues management, and managing external relations
- Stakeholder Issues and Theory
- Teaching and Research Issues, and Case Colloquium

Within each track, any showcases, symposia, workshops, and innovative sessions are listed first. The papers are then listed in alphabetical order by first author's last name. Please see the alphabetical author index, which follows the published papers, for assistance in finding specific authors. The 2002 program listing follows the author index.
