p. 140

Translation by Daniel B. Gallagher

Line one – and Daniel B. Gallagher

p. 142

Line twenty-four – in Chapters 12 and 15, where he even proposes a new determination of speculative nihilism which “. . . reopens the way to a rediscovery of the philosophy of being as an expression of *onto-sophia*, radically demarcating itself from onto-phobia on a metaphysical level, and, on a gnoseological level, from *logos-phobia* or *myso-logia*” (p. 313).
