## NOTE

We regret to announce a moratorium on the review of manuscripts extending through December, 1978.

A nine-year comprehensive index of the Journal will be provided with the November, 1978, issue.

The next issue is dedicated to Willard van Orman Quine on the occasion of his 70th birthday. In addition to Professor Quine, contributors are Donald Davidson, J. N. Mohanty, Gilbert Harman, M. J. Cresswell, Michael Levin, Richard Grandy, Diana Ackerman, Mark Pastin, Stephen Leeds, Dale Gottlieb, and Mark Steiner.
